For Immediate Release

We are calling for the resignation of the following at once.

1. U.S. Senator Charles "Chuck" Ellis Schumer
2. U.S. Senator Kirsten E. Gillibrand
3. New York State Attorney General, Andrew M. Cuomo

For turning there heads looking the other way ignoring that Federal and State Hate Crimes laws are being committed.

The hate crime that is currently being committed is on a much different scale it includes a Religious group known as "The Jewish Faith." Where if you are not Jewish you are prohibited from living in a designated area of Brooklyn NY better known as the Williamsburg Section of Brooklyn.

Every New Homes/ Condo/ Apartment Building dating far back as (c1989) to current if you are not Jewish are not be allowed to Rent or Buy and allowed to conduct business in any way if you are not Jewish.

The law has address and included but those who are violating the Federal and State Hate Crimes Act are ignoring the law as if the law dose not apply to them.

We have collected evidence that shows the involvement of City & Federal agencies working together such as:

- a. HPD - New York City Department of Housing Preservation and Development (HPD)
- b. HUD – Department of Housing and Urban Development (HUD)
- c. Fannie Mae - Fannie Mae is a government-sponsored enterprise (GSE)
- d. Freddie Mac - The Federal Home Loan Mortgage Corporation (FHLMC)
- e. Other...

This scam against Home Owners is apart of what sent Wall Street in a nose dive. We have the evidence, we have the proof of how Banks were defrauded out of Billions, and how Home Owners were forced to place there homes into Foreclosure. This was all apart of a well carried out scheme by those who didn't think they would ever get caught. We tried to bring this to the attention of the general public in early (c1990, 1994 when I walked from Brooklyn to Buffalo and back, 2006 as a candidate for Governor of New York, to current. Maybe this time someone will listen.

1. U.S. Senator Charles "Chuck" Ellis Schumer
2. U.S. Senator Kirsten E. Gillibrand
3. New York State Attorney General, Andrew M. Cuomo

Each said named Federal agencies alone with the following Elected Officials together are involved in the biggest Home Owner/ Mortgage Shame/ Real-estate Ponzi in American History. We have evidence to support the facts.

The Hate Crime Law as it is written
(Even though Jew or Jewish is not a Race the law still apply)

State hate crimes law uninclusive of sexual orientation or gender identity Hate crime laws in the United States protect against hate crimes (also known as bias crimes) motivated by enmity or animus against a protected class. Although state laws vary, current statutes permit federal prosecution of hate crimes committed on the basis of a person's protected characteristics of:

- race
- religion
- ethnicity
- nationality
- gender
- sexual orientation
- gender identity
- and disability.

This display of Hate has developed into building:

APARTHEID
And
JEWISH SETTLEMENTS

Religious Segregation <political and economic discrimination against non-Jews/ Jewish>
Religious Separation, <religious apartheid>

All this and more are support by the followings; U.S. Senator Charles "Chuck" Ellis Schumer, U.S. Senator Kirsten E. Gillibrand, New York State Attorney General, Andrew M. Cuomo. We are calling for each and everyone involved to step down at once and we will be asking for the Justice Department to get involve. This is huge so huge it involves Elected Officials and Federal Agencies in the State of New York dating on or before (c1983) to current.
